Twenty-Ninth Sunday in Ordinary Time
19th October 2014 Year A Psalter Week 4

First Reading: Isaiah 45:1, 4-6

The prophet, who lived in Babylon with the exiled Jews. Proclaims that God is the Lord, not only of the Jews, but of all human history and of the whole world. God has chosen the Babylonian leader Cyrus to be the instrument by whom God would bring back his people from exile so they would praise the one true God and make God's sovereignty known from the rising to the setting of the sun.

Responsorial Psalm: 95
Give the Lord glory and power -

Second Reading: 1 Thessalonians 1:1-5

These five verses are the oldest lines in the New Testament, the first to be written down. They are the introduction to a letter which St Paul wrote to some converts in the city of Thessalonika, which he visited in 50AD. He begins with a greeting and then praises them for their fidelity to God. He assures them of his prayers and that they might be blessed by the Gifts of the Holy Spirit.

Gospel: Matthew 22:15-21

The word "Pharisee" means separated or set apart and although there were many good people among them they usually looked down on the ordinary people of their day. In this gospel they join with the Herodians in an attempt to trap Jesus into conflict. The answer of Jesus is the basis on which his followers fulfil their dual obligations both as citizens of the society in which they live and to the Kingdom to which they belong in faith.

Christian Aid

Are urging that we take action on Climate Change. Their slogan is..
“Hunger for Justice – Act and pray for our own climate” – 18th -19th October.
They would like people to contact their local politicians and ask them what they are doing about Climate Change. They also recommend prayers so that we have a change of heart about our responsibility for this important matter. A Prayer has been prepared for use at Adoration and is printed below, there are also copies in the porch, please take a copy and visit for prayer. Dunmurry Church of Ireland – Church Avenue are holding a special service on Sunday 19th October at 11.30am which will incorporate Climate Change. St Anne’s parishioners are invited to attend if you have a spare moment.

Hunger for Justice – Prayer

Lord, you are our rock, our fortress and our strength; guide us, lead us and have mercy on us.

We thank you for the precious gift of your earth, in all its beauty and fragility. Through it we are each bound to one another in a million ways.

For the sake of those facing rising temperatures, drought and water shortages, strengthen our movement for climate change.

For the sake of those facing unpredictable weather, disrupted seasons and failed crops, bless our leaders to work together to find positive, lasting solutions.

For the sake of all those who feel the impact of our changing climate, the poor and the vulnerable, bring the hope of a brighter, cleaner future.

Lord hear our prayer and fill our hearts with a hunger for justice.

In the name of our Lord Jesus Christ. Amen

Mission Sunday .

Today is Mission Sunday. It is the day when we are being asked to dig into our hearts to assist the young local church overseas..

We are being called to play our part in helping to bring the word of God to those who most hunger for it in the form of support for our many young churches.

“That they may have life” is our theme for Mission Month and as such our spiritual and financial offerings are crucial for the work of the Church overseas.

Your generous contribution today will be sent in its’ entirety to support our mission projects. We can’t do it without you. Large or small, it makes a difference and thank you for your help.
