10 “takeaways” for families from Pope Francis in:

“Gaudete Et Exsultate”

In April this year Pope Francis published a document on the call to holiness. The title “Gaudete Et Exsultate” translates as -

“Rejoice and Be Glad”

Here are 10 takeaway points contained in it.

1. Holiness is the most attractive face of the Church
2. Being holy does not mean you have to be a bishop
3. The holiness that God calls you to will grow through small gestures
4. It is not healthy to love silence while fleeing interaction with others
5. Modern technology and consumerism can often leave no room for God's voice
6. Do not be afraid of holiness or of going against the flow
7. Embrace the Beatitudes
8. Do not let the sun go down on your anger
9. Christian joy is usually accompanied by a sense of humour
10. God is eternal newness
