The women were the first witnesses to the resurrection.

Remember the women in your life who have brought you good news, and the women who have been witnesses to you bringing you to faith in yourself, in others, or in God. The women did not keep their discovery to themselves, but hastened to share the good news with the apostles. Have there been times when your heart has been full of good news that you were eager to share with others.

To follow Jesus Closely

Bishop Treanor has written a pastoral letter on priesthood and vocational discernment. In it, he invites us to pray for an increase in vocations to priesthood and religious life. He encourages us to contribute to a culture which supports young people to listen, discern and live God's call in their lives. Copies of the letter will be distributed this weekend. Please take one and reflect on its themes with your loved ones. For further information on vocations to priesthood, please visit vocationsdownandconnor.org or contact Fr Kevin McGuckien on 02890614567
