## Spot the difference

Jesus taught with authority. Authority is another word for "power". Jesus had authority because he was the Son of God. Can you spot five differences between these two pictures of Jesus teaching?

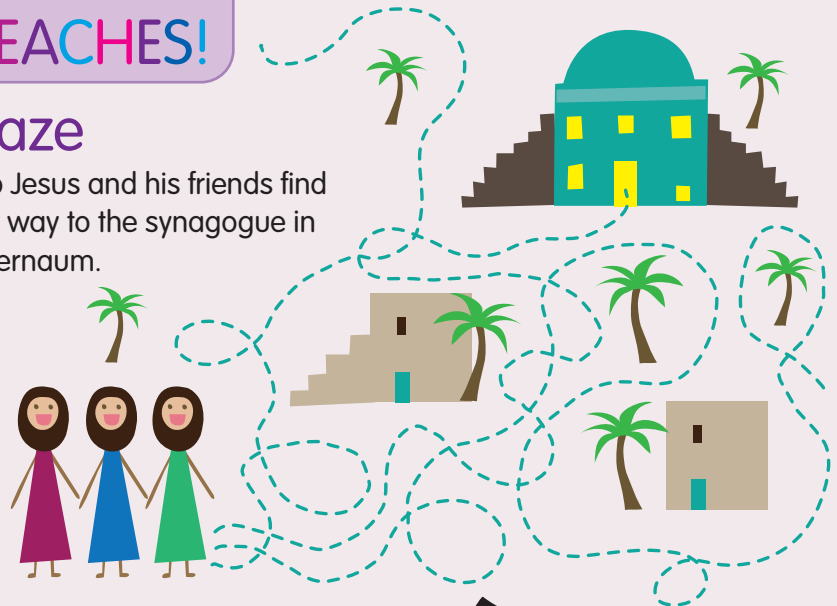

Jesus goes to Capernaum and teaches the people in the synagogue. He is a great teacher. Everyone is very impressed by what he says and the way he speaks. They know he is speaking the truth. No one else has ever explained about God in the same way.
