

CHILD SEXUAL EXPLOITATION AWARENESS SESSIONS

Do you work or volunteer with children and young people in the sports or faith sector?

WOULD YOU RECOGNISE

THE SIGNS OF

GROOMING?

IF YOU'RE NOT SURE,
WE'RE HERE TO HELP.

Nexus is a charity supporting people aged 8 and over impacted by sexual abuse and abusive relationships. We've teamed up with the Safeguarding Board for Northern Ireland to design tailored sessions for people like you who work or volunteer in the sports and faith sectors to help you recognise the signs of Child Sexual Exploitation (CSE), including grooming.

You have the power to prevent harm. Take action today and register for one of our upcoming workshops via the booking links on the following page.

Did you know?

In Northern Ireland, 6% of children (141 children) listed on the child protection register at 31 March 2022, had sexual abuse (including child sexual exploitation) listed as the reason why.

Source: Barnardo's, 'Child Exploitation: A Hidden Crisis', June 2023

(We know this number is likely to be much higher due to under reporting in this area and increased prevalence of online CSE)

You can join one of four sessions - available for anyone who works with children & young people in the sports or faith sectors in Northern Ireland.

Our aims are to increase your awareness of:

- ▶ What Child Sexual Exploitation (CSE) is
- ▶ What the warning signs are, and
- ▶ How you can best support and signpost as part of your responsibility to safeguard the children you work with.

Play your part and encourage others too by sharing this information.
